## INTERESTS

Passionate about hands-on activities and problem-solving, I enjoy exploring my interests in ATVs, dirt bikes, and cars, both as a hobby and through mechanical work. My enthusiasm for coding complements my love for technical challenges, allowing me to combine creativity and precision in my projects. I also value quality time with family, which keeps me grounded and motivated in all aspects of life.

## EDUCATION

- High School Diploma

  Coalinga High School, Coalinga | August 2024 - June 2026

  - Developed a strong foundation in web development principles through hands-on projects and real-world applications. Utilized industry-standard software tools and frameworks to design and build websites that meet client needs and adhere to best practices in the field.

- Dual Enrollment

  West Hills Community College, Coalinga | August 2025 - August 2025

  - By participating in the Dual Enrollment program, I have been able to explore my academic interests and gain a deeper understanding of potential career paths. I have had the opportunity to work closely with college professors, engage in class discussions with college students, and experience the rigors of higher education firsthand.
